## What If

[Creed](#)

I can't find the rhyme in all my reason  
I've lost sense of time and all seasons  
Feel I've been beaten down

By the words of men who have no grounds  
Can't sleep beneath the trees of wisdom  
When your ax has cut the roots that feed them

Forked tongues in bitter mouths  
Can drive a man to bleed from inside out

What if you did?  
What if you lied?  
What if I avenge?  
What if eye for an eye?

The image shows a screenshot of a YouTube channel page. At the top, the channel name "SLC Specialist Language Courses" is visible. Below that is the channel profile picture of Virginia Allum, a woman with glasses, and her name "Virginia Allum" with "50.3K subscribers" listed below it. A navigation bar contains the options "HOME", "VIDEOS", "PLAYLISTS", and "COMMUNITY". The main content area displays a video thumbnail with the title "Welcome to my Medical English Video Nursing". The thumbnail includes images of nursing textbooks and a cartoon character of a nurse. A text overlay at the bottom of the thumbnail reads: "'Cambridge English for Nursing' books which have been widely used around the world." To the right of the video, the beginning of the video title "Welc" and the view count "5,66" are partially visible.
